Explanatory Statement and reasons for the proposed resolutions accompanying the notice dated 19th June 2012 pursuant to section 173(2) read with section 192A(2) of the Companies Act, 1956:

ITEM NO. 1.

Given the Company's plans, the Board considers it necessary to augment the long term resources of the Company and strengthen its balance sheet by way of (i) issuing further capital to eligible investors, up to an amount of USD 175 million; and (ii) restructuring the USD 88.5 million outstanding foreign currency convertible bonds of the Company ("Outstanding FCCBs") in accordance with a mechanism deemed appropriate by the Board, considering the prevailing market conditions and other relevant factors, wherever necessary in consultation with the lead managers and/or other advisors, on such terms and conditions as may be decided and deemed appropriate by the Board or any committee including, but not

limited to extending the maturity date of the outstanding FCCBs, amending the terms and conditions of the Outstanding Bonds, changing the face value of the outstanding FCCBs, redeeming a portion of the outstanding FCCBs and issue new foreign currency convertible bonds to replace the Outstanding FCCBs pursuant to an extraordinary resolution to be passed by the holders of the Outstanding FCCBs in accordance with the terms of the trust deed governing the Outstanding FCCBs.

The resolution at item no. 1 of the Notice relates to a proposal by the Company to issue Foreign Currency Convertible Bonds which are convertible into equity shares, American Depository Receipts and Global Depository Receipts reflected by underlying equity shares of the Company or other securities convertible into equity shares of the Company (the "Securities") in compliance with applicable law. The resolution also includes a proposal to create, offer, issue and allot equity shares and warrants simultaneously with non-convertible debentures (the "Eligible Securities") to qualified institutional buyers as defined under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.

In relation to the above, the Company intends to issue the Eligible Securities or the Securities for a value of upto USD 175 million (which limit applies also to the value of securities to be issued upon conversion of any Security).

Objects of the issue:

The object of this issue is to meet the long term business requirements of the Company, to meet the working capital requirements of the Company, to fund the growth of the Company and to improve the financial leveraging strength of the Company. Also, in view of the current global market conditions and economic outlook, the Company may consider, subject to the receipt of necessary approvals, various options to strengthen the balance sheet of the Company, including by issuing new foreign currency convertible bonds for restructuring its existing foreign currency convertible bonds. The Directors intend to deploy the net proceeds from the issue of further capital for funding any one or more of, (i) capital expenditure, (ii) general corporate purpose, (iii) strategic acquisitions and (iv) reduction of debt

The detailed terms and conditions for the offer will be determined in consultation with the Advisors, Lead Managers, Underwriters and such other authority or authorities as may be required to be consulted by the Company considering the prevailing market conditions and other relevant factors.

Pricing:

The pricing of FCCBs, ADRs and GDRs shall be freely determined subject to such price not being less than the applicable pricing provisions issued by the Ministry of Finance and the Reserve Bank of India. If the Board of Directors decides to undertake a qualified institutional placement under Chapter VIII of the ICDR Regulations, the pricing shall be freely determined subject to such prices not being less than the price as calculated in accordance with the ICDR Regulations.

As the pricing of the offering cannot be decided except at a later stage, it is not possible to state the price or the exact number of shares to be issued. For reasons aforesaid, an enabling resolution is therefore proposed to be passed to give adequate flexibility and discretion to the Board to finalize the terms of the issue. The equity shares issued pursuant to the offering(s) would be listed on the Indian stock exchanges and / or internationally recognized stock exchange and may be represented by securities or other Financial Instruments outside India.

The Special Resolution seeks to give the Board powers to issue the Eligible Securities or Securities in one or more tranche or tranches, at such time or times, at such price or prices and to such person(s) including institutions, incorporated bodies and / or individuals or otherwise as the Board may in its absolute discretion deem fit. The consent of the shareholders is being sought pursuant to the provisions of Section 81(1A) and other applicable provisions of the Companies Act, 1956 and in terms of the provisions of the Listing Agreement executed by the Company with the Stock Exchanges where the Equity Shares of the Company are listed.

Section 81(1A) of the Companies Act, 1956 and the relevant clause of the Listing Agreement with the Stock Exchanges where the Equity Shares of the Company are listed provides, inter alia, that when it is proposed to increase the issued capital of a company by allotment of further shares, such further shares shall be offered to the existing shareholders of such company in the manner laid down in Section 81 of the Companies Act, 1956 unless the shareholders in a general meeting decide otherwise. Since the Special Resolution proposed in the business of the Notice results in the issue of shares of the Company otherwise than to the members of the Company, consent of the shareholders is being sought pursuant to the provisions of Section 81(1A) and other applicable provisions of the Companies Act, 1956 and the Listing Agreement.

The Special Resolution, if passed, will have the effect of allowing the Board to issue and allot Eligible Securities or Securities to the investors who may or may not be the existing shareholders of the Company. [This resolution is in complete supersession of the special resolution passed under item 14 at the Annual

General Meeting of the Company held on September 29, 2011]. The Board believes that the issue of Eligible Securities or Securities to investors who are not shareholders of the Company is in the interest of the Company and, therefore, recommends the resolution for your approval. None of the Directors of the Company is in any way concerned or interested in the said resolution.

The Board recommends this resolution for approval of the members.

ITEM NO. 2.

In view of the adverse market conditions, ongoing financial crisis in the developed markets as well as in emerging markets, including in India, the Company was unable to re-finance its debts. The Company and its subsidiaries Moser Baer Photo Voltaic Limited and Moser Baer Solar Limited have applied to the Corporate Debt Restructuring ("CDR") cell on February 22, 2012, January 18, 2012 and May 7, 2012 respectively, for restructuring the Company's debts through CDR mechanism envisaged under the guidelines issued by the Reserve Bank of India on August 23, 2001 as amended from time to time. Further, the Company is also in the process of restructuring its Foreign Currency Convertible Bonds (FCCBs), which is not part of the CDR Restructuring.

In view of the above, the Board considers it necessary to augment the long term resources of the Company and strengthen its balance sheet by way of (i) issuing further capital to eligible investors, up to an amount of USD 175 million; and/or (ii) restructuring the USD 88.5 Million outstanding foreign currency convertible bonds of the Company ("Outstanding FCCBs") through various methods including but not limited to by extending the maturity date of the Outstanding FCCBs, amending the terms and conditions of the Outstanding FCCBs, changing the face value of the Outstanding FCCBs, redeeming a portion of the Outstanding FCCBs and / or issue of new foreign currency convertible bonds for an amount up to USD 175 million to replace the Outstanding FCCBs pursuant to an extraordinary resolution to be passed by the holders of the Outstanding FCCBs in accordance with the terms of the trust deed governing the Outstanding FCCBs and through any other manner considering the prevailing market conditions and other relevant factors.

The existing authorised share capital would be inadequate to cater the above mentioned additional capital issuance requirements. Hence, it is necessary to increase the authorised capital and also to alter the Capital Clause of the Memorandum of Association of the Company. As per the provisions of Section 94 of the Companies Act, 1956, the increase in Authorized Share Capital and consequent alterations in Memorandum of Association of the Company require prior consent of the shareholders.

It is proposed to increase the Authorised Capital of the Company from Rs. 300,00,00,000 (Three Hundred Crores) divided into 30,00,00,000 (Thirty Crores) Equity shares of Rs. 10 (Rupees Ten) each to Rs. 1,250,00,00,000 (Rupees Twelve Hundred Fifty Crores) divided into 125,00,00,000 (One Hundred Twenty Five Crores) Equity shares of Rs. 10 (Rupees Ten) each.

A draft copy of the duly altered Memorandum of Association of the Company as stated above is available for the inspection of the Members of the Company at the Registered Office of the Company during business hours on any working day.

The shareholders are, therefore, requested to approve the proposed resolution in Item No. 2 of the Notice for approval of the shareholders as an Ordinary Resolution through postal ballot in terms of the provisions of Section 192A of the Companies Act, 1956 read with the provisions of the Companies (Passing of Resolutions by Postal Ballot) Rules, 2011.

None of the Directors of the Company is concerned or interested in this resolution except to the extent of their shareholding in the Company, if any.

ITEM NO. 3.

A Shareholder Agreement ("agreement") was executed between the Company, Promoters of the Company and with Bloom Investments Ltd, Ealing Investments Ltd and Randall Investments Ltd for the acquisition of shares of the Company by a global private equity firm Warburg Pincus, LLC on June 17, 2000. Accordingly, the Articles of Association of the Company were amended to include all the provisions of the agreement. The said agreement was further amended on March 25, 2004 (first Amendment) and September 2, 2011 (Second Amendment).

The said agreement was terminated on March 16, 2012 and thus it is proposed to amend the Articles and delete the provisions which were entered pursuant to the agreement.

Pursuant to the provisions of Section 31 of the Companies Act, 1956, a Company, may by a Special Resolution alter its Articles of Association.

The Board recommends this resolution for approval of the members.

None of the Directors is concerned or interested in the resolution.
