- 4 (a) The outstanding foreign currency convertible bonds (FCCBs) with principal value of USD 885 lacs (equivalent to Rs 53,259 lacs) matured for redemption on 21 June 2012, which have since been claimed by the trustee of the bondholders. The Company has obtained an approval from the Reserve Bank of India to extend the redemption date of bonds and is in the process of negotiation with the bondholders, through the Trustee, to re-structure the terms of these bonds. Pending acceptance by the bondholders and approvals from the appropriate concerned regulatory authorities, of the terms proposed by the Company, it continues to accrue for the premium on FCCB based on the original terms of these bonds. As at 30 June 2014, such accrual for premium on FCCB aggregates Rs 33,905 lacs (as at 31 March 2014: Rs 32,260 lacs). In view of the ongoing negotiations, financial obligations of the Company, other than the premium on redemption, are presently not reasonably determinable, and hence have not been provided for. The petition under section 434 of the Companies Act, 1956, filed by the trustee on behalf of certain bondholders with the Hon'ble High Court of Delhi, which has since been admitted, continues to be sub-judice.
- (b) The Company has incurred a loss of Rs 18,920 lacs during the quarter ended 30 June 2014, and, as of that date, the Company's accumulated losses aggregate Rs. 72,874 lacs, resulting in erosion of the entire net worth of the Company. As on that date, the Company's current liabilities exceeded its current assets by Rs. 116,691 lacs. The aforesaid conditions along with conditions as mentioned in note 4(a) to the results indicate existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. The Company's corporate debt restructuring scheme to re-structure the borrowings from secured lenders has already been approved and is being implemented and the management is confident of re-structuring the FCCB obligation as described in note 4(a), as per the terms proposed by the Company. Pending outcome of the aforementioned discussions with the bondholders and the related litigation, successful implementation of corporate debt restructuring scheme, and increased business operations once these outstanding matters are resolved, which are materially uncertain, the results of the Company have been prepared on a going concern basis.
- 5 The management performed a detailed impairment assessment for its investments in and advances or other receivables from certain subsidiaries, viz. Helios Photo Voltaic Limited (HPVL), Moser Baer Solar Limited (MBSL), Moser Baer Entertainment Limited (MBEL), Photovoltaic Holdings Limited and Moser Baer Investments Limited (including using valuations performed by an independent valuer for HPVL and MBSL) as at 31 December 2013, which have been updated by the management upto 30 June 2014 to determine whether these investments and advances or other receivables are recoverable. Material estimates and judgments used in such assessment were inter-alia, successful implementation of business plans and new technologies, external market conditions of solar market, regulatory benefits and full implementation of debt restructuring in the terms as proposed by the HPVL and MBSL. The developments since the last detailed assessment indicate challenges on the immediate liquidity front but at the same time, an improved industry and regulatory environment. Basis updated assessment, during the quarter ended 30 June 2014, the management has recorded a provision for other than temporary diminution in the value of investment in one of the subsidiary amounting to Rs. 6,487 lacs and net carrying values of investments and advances or other receivables from these subsidiaries as at 30 June 2014 aggregates to Rs 96,329 lacs.
- 6 Figures of the previous periods have been regrouped and rearranged wherever necessary, to make them comparable.
- 7 The above results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 14 August 2014.
- 8 The Limited review by the Statutory Auditors for the quarter as required under clause 41 of the Listing Agreement has been completed and the related report is being forwarded to the Stock Exchanges.
