Pride Solar Systems Private Limited

Summary of significant accounting policies and other explanatory informations to the financial statements for year ended March 31, 2017

(All amounts in rupees unless otherwise stated)

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting, unless stated otherwise and comply in all material aspects with the Accounting Standards ('AS') notified under section 133 of the Companies Act, 2013, read together with rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India.

2 USE OF ESTIMATES

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Example of such estimates include provision for income taxes.

3.1 TAXATION

Current Tax:

Provision is made for current income tax liability based on the applicable provisions of the Income Tax Act, 1961 for the income chargeable under the said Act.

Deferred Tax:

Deferred tax assets (DTA) and liabilities are computed on the timing differences at the balance sheet date between the carrying amount of assets and liabilities and their respective tax bases. DTA is recognized based on management estimates of reasonable/ virtual certainty that sufficient future taxable income will be available against which such DTA can be realized. The deferred tax charge or credit is recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

3.2 PROVISION AND CONTINGENT LIABILITY

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.3 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, except where results would be anti-dilutive.

Pride Solar Systems Private Limited

Summary of significant accounting policies and other explanatory informations to the financial statements for the year ended March 31, 2017

13 Based on information available with the Company, as at March 31, 2017 there are no dues to Micro and Small Enterprises as defined in the Micro, Small and Medium Enterprises Development Act, 2006.

14 Segment information

As the Company has yet to commence commercial operations, there are no reportable segments within the meaning of AS-17 'Segment Reporting'.

15 The Company had been set up with the objective of dealing in products relating to solar/ photovoltaic energy inter alia; to manufacture thin and thick film based photovoltaic cells, modules and generation, distribution of solar power. The Company is yet to commence its principal revenue generating activities and it is presently dependent upon financial support from its ultimate parent company Moser Baer India Limited (MBIL). In view of the financial support provided by the ultimate parent company, management is of the opinion that it is appropriate to prepare accounts on a going concern basis. Accordingly, the financial statements continue to be prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded asset amount and the classification of liabilities that might be necessary should the company be unable to continue as a going concern.

16 a) The Company does not have any pending litigation.
b) The Company does not have any long-term contracts including derivative contracts for which there are any material foreseeable losses.

17 During the current period, the Company changed its financial year beginning from 1st. Jan to 1st. April and accordingly current period consist of 12 months from 1 April 2016 to 31 March 2017. Consequently, previous year figures (1 January 2015 to 31 March 2016) are not comparable with that of current period. Previous period figures have been regrouped / rearranged, wherever necessary, to conform to current year's classification.
