

<p style="text-align: center;">GIRISH BALUJA Chief Operating Officer- Corporate</p>

Mr. Girish Baluja is the COO - Corporate at Moser Baer India Ltd. He has been associated with the company since 2005. In his current role, he looks after Corporate HR, Corporate R&D, Corporate Supply chain & Six sigma. His responsibilities also include OM&T business (MBIL acquired this specialized Optical Technology and R&D subsidiary of Phillips).

Prior to joining Moser Baer, Girish was associated with Hindustan Lever Limited for 20 years, where he was working as Business Head (New Business, Laundry). In this capacity, his key responsibility was developing and implementing a Business Model for exploiting a breakthrough-patented technology, having a potential of Rs 1,000 crore worth of business, and piloting the venture for the entire Unilever World.

Previous to this, Girish was working as Head (Personal Wash Regional Innovation Center Asia region) at HLL, where his core responsibility was "innovation" of company's Rs 2,200 crore-product portfolio in India. Girish was instrumental in the turnaround of key brands and the company's Personal Wash business.

Girish holds a Bachelor's degree in Chemical Engineering from the Indian Institute of Technology, Delhi.

Girish enjoys reading, listening to music, solving crosswords and is a sportsman at heart.
